## About The Camp:

This program provides individuals with developmental disabilities an opportunity to enjoy a typical camp experience, which includes opportunities for personal growth and steps towards greater independence. Families/caregivers receive much needed respite. The Brigade of Neenah operates Camp Onaway. The Camp is located on Onaway Island on the beautiful Chain of Lakes. The camp has rustic cabins and a central bathroom and shower facilities.

## Activities Include:

An off island excursion for mini golfing, arts & crafts, boating, fishing, games, music, nature, swimming and special events such as a water carnival and skit night.

## Volunteer to be a Camp Counselor with SOAR!

Counselors assist campers as needed; each camper is unique in their abilities and independence. (Some campers may need help dressing appropriately for weather, need reminders to brush their teeth, assistance cutting food, or help following the camp schedule.) Volunteers will be provided with transportation to and from camp, room & board and a stipend.
